

PRODUCT OVERVIEW

High Power Desktop Power Supply 120 W 150W 180W 220W

Power: 120W
Output: 18, 19, 20, 24, 30, 36 and 48V
Dimension: 167x65x37mm

Power: 150W
Output: 19, 20 and 24V
Dimension: 170x72x40mm

Power: 180W
Output: 19, 20 and 24V
Dimension: 170x81x40mm

Power: 220W
Output: 24V
Dimension: 197x88x43mm

Features: Safety Certified by UL, cUL, NEMKO, VDE, CE, CB, ENEC, BSMI

Meet EN61000-3-2 current harmonic requirement

High efficiency

Low ripple & noise

Output over voltage protection

Short circuit protection on all outputs

Over power protection

Fanless

100 % Burn-In at full rated load

Vacuum-Impregnated transformer

MTBF: 100.000 hours

100 % Hi-Pot tested

Standby consumption less than 0,75W

Temperature Range: Operating: 0~ +40°C

Efficiency: ≥ 86%

Frequency: 47-63Hz

Output Connectors: MiniDIN Power Plug - 4Pins and
Power Supply Plug 5.5 / 2.1 + (for 120W) are standard
other connectors on request
